WEEKLY COLOUR CODES

Green Week
= Recycling Bags

Brown Week
= Brown Bin

Grey Week
= Refuse Bin

Important Note:

You will no longer be required to purchase and present your dry recyclables in WCC branded recycling bags. This allows you to source suitable bags from your local shops.

The bags must:

- Be made from clear plastic (Black or Opaque bags will not be collected)
- Be of standard size, approx 460mmx735mm x 990mm
- Be strong enough for purpose

What to do now:-

On or after 1st January, remove 2011 Flat Charge sticker from both bins and dispose of in the refuse bin.

Prepare both bins, Residual & Brown for "Gold Star" Sticker

- Clean the relevant section of the bin/s so as the sticker will adhere and remain there. This is important as it will be used to indicate your payment of the "Gold Star" Service.
- Remove the backing sheet carefully from the sticker and place under the handles at the rear of the bin/s in such a manner as it can be seen by the refuse collectors
- When putting the bin/s out ensure the sticker is clearly visible to the refuse collection staff. It is their signal that your bin is to be collected. If it is obscured the bin will not be collected.

PLEASE NOTE

Glasses, bottles and jars **cannot** be put in a Recycling Bag or Residual Bin.
Bring your glass to the nearest Bottle Bank Site.

NO HAZARDOUS MATERIALS, E.G.: MEDICINES, PAINT, BATTERIES, WASTE OILS, WINDOW GLASS
